Abstract: The body of your abstract begins here. It should be a detailed summary of your presentation that states a brief introduction, objective, methodology, summary of findings/results, conclusion and significance/contributions of the study. You should leave 8 mm of space above the abstract and 10 mm after the abstract. The heading Abstract should be typed in bold 9-point Arial. The body of the abstract should be typed in normal 9-point Times in a single paragraph, immediately following the heading. The text should be set to 1 line spacing. The abstract should be centred across the page, indented 17 mm from the left and right page margins and justified. No graphs/tables/images are allowed. Next, your abstract should list the results or outcomes of your work. Finally, your abstract should be concluded with a statement of the project's implications and contributions to its field. The word limit for the abstract is 200 words. The abstract should be written in English. Please do not include any paragraph or line formatting. The abstract should be justified.

Keywords: Keywords regarding the work are stated in this section. The heading Keyword should be typed in bold 9-point Arial. Keywords should contain a maximum of 5 words that are written with 9-point Times New Roman and separated with a semi-colon.
