Four Hispanic high school students form a robotics club. With no experience, 800 bucks, used car parts and a dream, this rag tag team goes up against the country's reigning robotics champion, MIT. Four Hispanic high school students form a robotics club under the leadership of their school's newest teacher, Fredi. With no experience, 800 bucks, used car parts and a dream, this rag tag team goes up against the country's reigning robotics champion, MIT. On their journey, they learn not only how to build a robot- they learn to build a bond that will last a lifetime.
