This tier includes stickers and mini prints!

The rewards will be sent out a month after you've pledged.

For example, if you Pledge in January I'll send them out in February. Around the First and Second week of the month.

Sticker ordering happens around the 25-30th of each month

Stickers are ordered from a Manufacture. I'm not making them myself!!!

Production Time can be 2-10 days (10 Days only if something went wrong).

Shipping to me can take, I think, around 1-2 Weeks. Details can be changed.

Mini Prints take much less time to produce but they will always be shipped out when the other rewards of this tier arrive.

I CAN'T provide examples!!
