

Jaxx Rickit (CrowG0d)'s Commission Information 2020

Please carefully read the terms and conditions before commissioning me.

Terms of Service and Usage Rights:

By commissioning me you agree to all the terms listed below.

Payment Details

- Payment is only accepted via PayPal.
- Price currency is Canadian Dollar (CAD)
- Payment will be issued via invoice to your desired address after a sample sketch is approved by you the commissioner.
- Full rendering of the commissioned piece will only proceed after the payment has been made.
- Payment will be requested via PayPal invoice to your chosen address after I have sent a confirmation email.

Commission Process

Once commission info and/or appropriate references have been submitted to me via email, I will make a rough sketch of what I have in mind for your piece.

You may ask for changes and edits or any alterations you see fit after viewing the rough sketch.

Once we've settled on a sketch that we can both agree on then I shall request the set payment for the type of commission requested.

After the payment has been received I will begin to render your commission and keep you updated as I continue to work on it.

Do not hesitate to ask for updates as you see fit, I will try to reply to all inquiries in a timely manner.

Early stage updates are a perfect time for you to discuss any major changes you think the piece may need, do keep in mind however, that major changes during later updates are less negotiable and are more likely to be declined.

If I fail to deliver your commission in 3 months time, you have the right to request a refund.

If at any time I cannot finish your art, I will contact you and offer a refund.

After your piece is complete, I will provide you with the full resolution PNG file.

Artistic Limitations

Please keep in mind that, if at any time I feel uncomfortable with you, or the piece you are commissioning from me, then I will refuse my service to you and offer a refund.

- I refuse to draw anything hateful towards any one person or group.
- Detailed backgrounds are something I am still learning and therefore not something I can guarantee the best quality in, therefore most pieces will have simple or transparent backgrounds.
- Robotic and Mech are also not my strong suit, I am willing to give them a try but I cannot, at this time, guarantee the best quality on that front.
- Gore is limited to mostly vanilla settings with *some* room for negotiation.
- Nsfw pieces are limited to mostly vanilla settings with *some* room for negotiation.
- I refuse to draw any hyper/extreme fetishes.

Disclaimer and Rights

- I reserve the right to refuse service upfront for any reason deemed necessary
- I reserve the right to use any of my commissioned artwork freely (if you desire to keep your commission private and not posted online please ask me)
- I reserve the right to update any of these terms as required without notice.
- You may **NOT** use any of my commissioned artwork for commercial use or profitable material of any kind
- I reserve the right to use any commissioned artwork for promotional use so long as proper credit is given to the commissioner for their design/idea (private works are exempt from this)
- You may not edit any of my artwork without my consent
