

How to Install and Uninstall Google Extensions

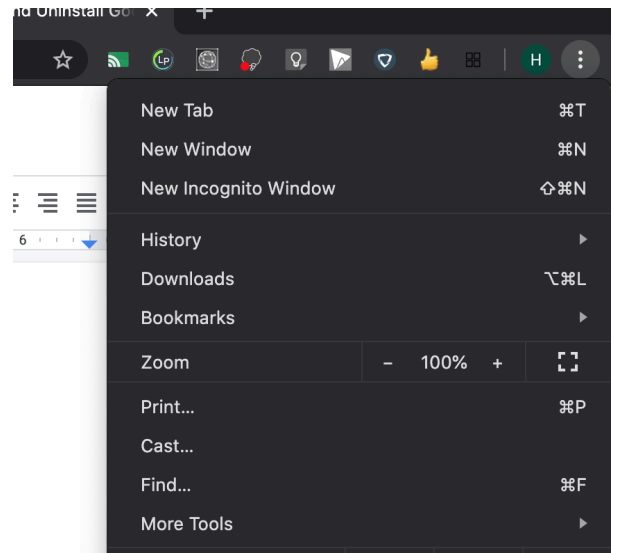

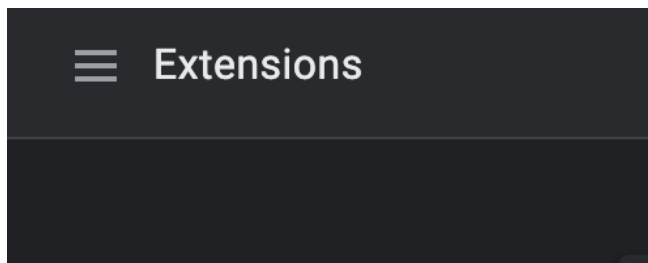

To install a Google Extension:

Step 1: Click on the three little dots in the upper right hand corner of Google Chrome.

Step 2: Select More Tools

Step 3: Select Extensions

Step 4: Click on the 3 lines in the upper left hand corner.

Step 5: All the way at the bottom, open the Chrome web store and search for the extension you want. Example - Google Meet Grid View

Step 6: Click add to Chrome. It should now be installed. If you do not see it, try refreshing chrome or restarting your computer.

To uninstall a Google Extension:
