

BunTomo's TOS

Welcome to my commission TOS! I'll keep this brief as to alleviate any headaches that TOS sheets can have

TOS -

- **Payments will be done through Paypal only.**
- Upon closing the commission form, I will get in contact with you if your commission has been chosen. If I receive no reply within 2 or 3 days, I will consider you no longer interested. If you reply after this, I will consider doing your commission at the end of my queue, but it is no longer guaranteed.
- I will not roleplay with you.
- **Pricing of certain aspects will be subject to my discretion** (Will always be discussed with you before continuing.) Things that can incur additional fees will include: Ponies, complex characters, several characters, etc.
- Refunds are subject to my discretion- The earlier a refund is requested, the higher the percentage of the commission price will be refunded. If rendering has already begun, I may not give a refund.
- **The base prices on commissions serve as a base only, additional fees can incur with complex characters.**
- **Everyone involved in the commission process MUST be 18 years old or older.**
- I reserve the right to use the final commission in any way I see fit- though I will discuss the plans with you, and respect your input.
- **The art is in no way allowed to be used or associated with NFTs, Cryptocurrency, or AI.**
- You are allowed to post the final image and story to any platform you'd like, with proper credit.
- If you chargeback without prior discussion, or before any sort of agreement, I will not work with you again in the future.
