

# Privacy Policy — Meeting Starter

**Effective Date:** April 18th, 2026

**App Name:** Meeting Starter

**Developer:** Michael Delany

## 1. Information We Do Not Collect

Meeting Starter does **not** collect, store, transmit, or share any personal information.

The app does not require an account, login, email address, phone number, or any form of personal identification.

## 2. Data Stored Locally on Your Device

The app may store:

- Saved property deals
- User-entered values for calculations

This information is stored **only on your device** using Apple's secure local storage (UserDefaults). We **do not** transmit this data off your device.

## 3. No Third-Party Analytics

The app does not use:

- Third-party analytics
- Advertising SDKs
- Tracking libraries
- Cookies or online trackers

## 4. No Internet-Based Data Collection

Meeting Starter works entirely offline.

Your data never leaves your device.

## 5. User Control

You can delete your saved deals at any time directly inside the app.

Deleting the app will erase all locally stored data.
