Pendahuluan [Introduction] (Cambria 12, bold)

Naskah yang diterima di Al-Qisthu dapat ditulis dalam bahasa Indonesia, Inggris, dan Arab. Pendahuluan ditulis singkat dan berurutan, memuat latar belakang secara umum dan tinjauan literatur (state of the art). Latar belakang memuat sedikitnya lima literatur yang dapat menjustifikasi kebaruan atau novelty penelitian ini (biasanya 2-3 paragraf). Pada paragraf akhir pendahuluan tujuan penulisan artikel harus dinyatakan. (Cambaria 11,5, spasi 1,15)

[Manuscripts accepted at Al-Qisthu can be written in Indonesian, English, and Arabic. The introduction is written briefly and sequentially, contains a general background and a review of the literature (state of the art). The background contains at least five literatures that can justify the novelty or novelty of this research (usually 2-3 paragraphs). In the final paragraph of the introduction the purpose of writing the article must be stated.] (Cambaria 11.5, spacing 1.15)

Metode Penelitian [Method] (Cambria 12, bold)

Bagian ini harus memuat jenis penelitian, desain penelitian (sesuai kebutuhan), teknik pengumpulan data, populasi dan sampel atau objek penelitian (jika ada), instrumen penelitian yang digunakan, dan teknik analisis data. (Cambria 11,5, spasi 1,15)

[This section should contain the type of research, research design (as needed), data collection techniques, population and sample or research object (if any), research instruments used, and data analysis techniques.] (Cambria 11.5, spacing 1.15)
