

We're cutting these out and putting them in the front of students' books, or using them as bookmarks.

Annotation / Sticky Note Starters: I just realized... One idea I'm getting now... I think this represents... At first I thought _____, but now I think _____. I think this word means... This is important because... I'm confused about... I'm wondering about... This reminds me of _____ earlier in the book because...	Annotation / Sticky Note Starters: I just realized...
