

CHRISTIAN WORSHIP

The new hymnal and psalter are now available! You will find several *Christian Worship* promotional tools ready for use in your church at www.nph.net/announcements.

We encourage you to share these wherever a reminder of the new *Christian Worship* hymnal suite may be useful to your church members. We also encourage you to forward to your members any NPH emails that are relevant to their needs or interests.

Thank you for supporting the ministry of NPH!
