1629 Grand Avenue
Liberty, Texas 77575

Dear Parents,

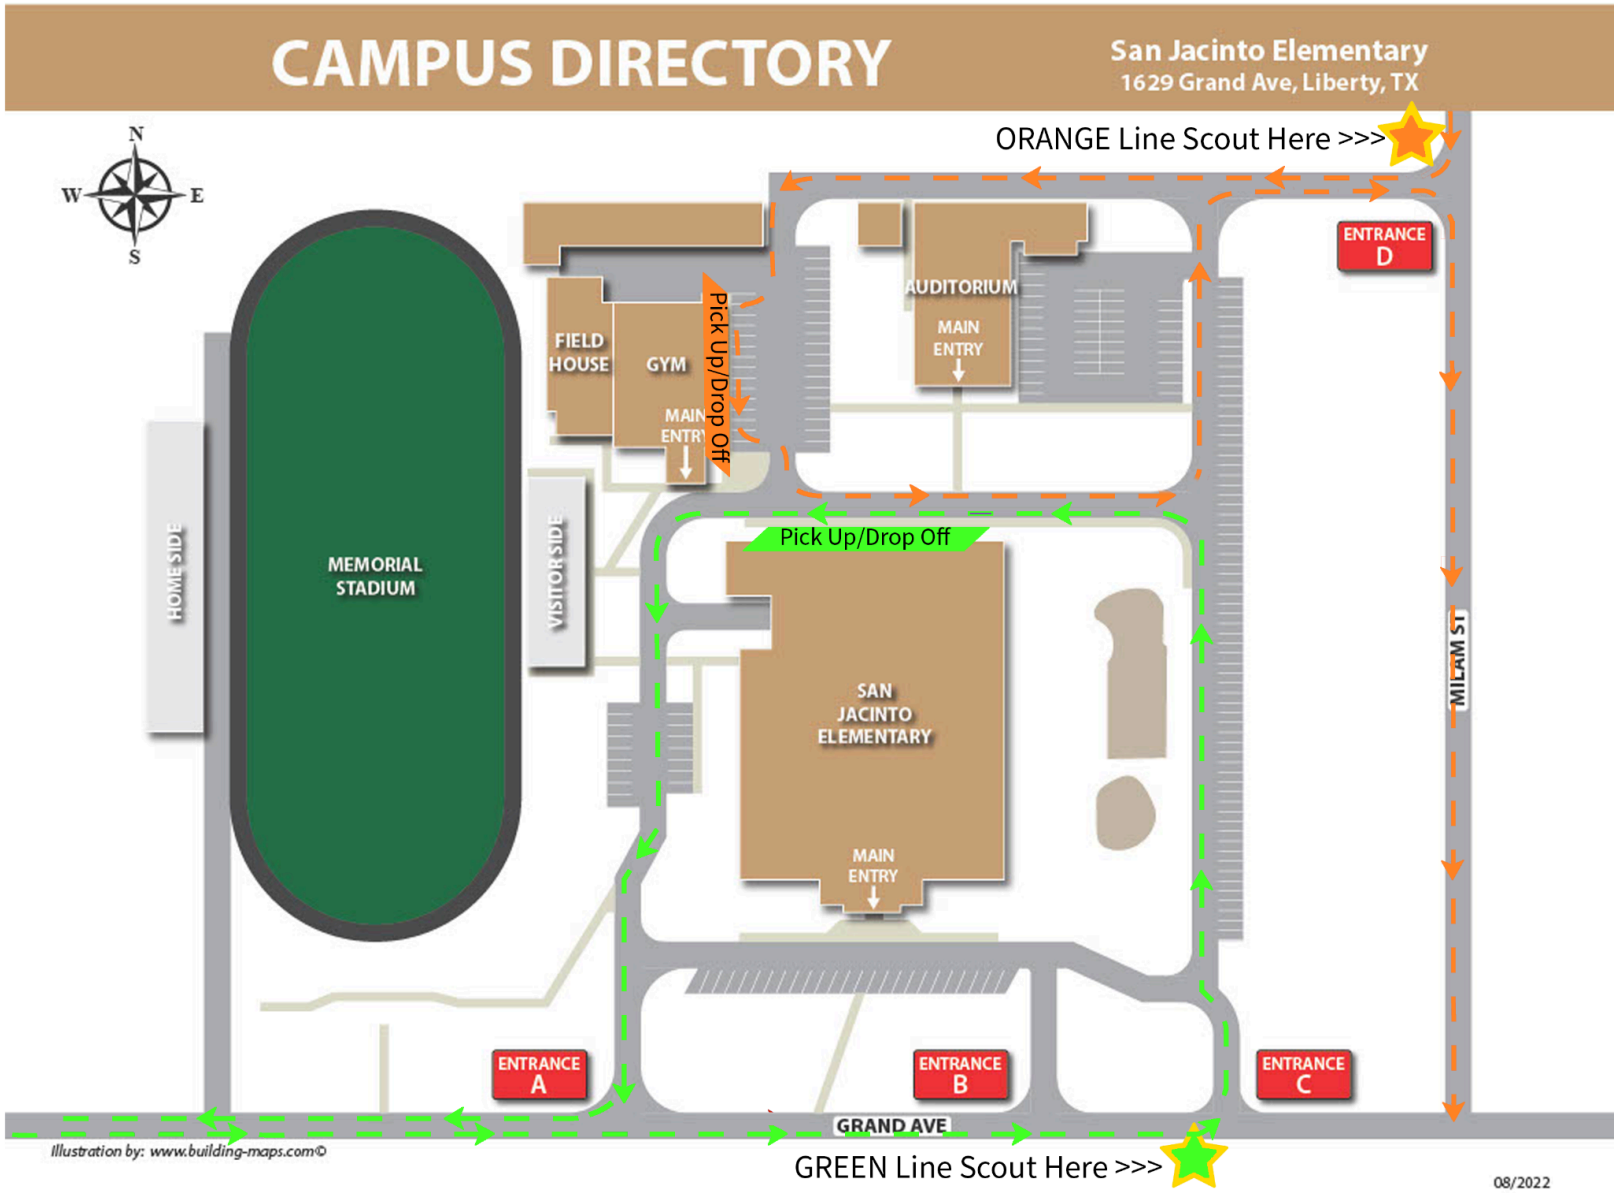

This information is for our SJE car rider line. The following guidelines will help keep traffic moving and give you direction on where to go. Please be aware and abide by the following:

- You must always have your child's name card in your window when picking up your child.
  - We will not load students into cars that do not have the name card visible in the window.
  - We will provide you with a card.
  - When you do not have your card, you will be directed to pull around to the front office, and we will provide you with another card, but you will have to return to the car line to pick up your child. *You must be the parent or an approved person on the pick-up list, with a valid ID, to get a card.*
- Kindergarten and 1st-grade drop-off and pick-up will follow the GREEN traffic flow on the map from Grand Ave.
- PK drop-off and pick-up will follow the ORANGE traffic flow on the map from Milam St.
  - If you have a PK student and another child in Kindergarten or 1st grade that you are dropping off or picking up, use the ORANGE traffic flow on the map for all of your children.
- It helps traffic flow and bus arrivals in our area when the following items happen:
  - Make sure that you follow your traffic flow route. If you do not follow the designated route and have your card number entered by our scout, you will not be able to pick up your child without repeating the line
  - When entering SJE from Milam Street, only use a right turn to enter at Entrance D and a right turn to exit at Entrance D. PLEASE DO NOT BLOCK ANY DRIVEWAYS.
  - When entering SJE from Grand Ave., use only a left turn to enter at Entrance C, and a right turn to exit Entrance A. If the line is backed up onto Grand Ave., please keep your car as close to the curb on the right side of the street as possible. If the line reaches Panther Lane, it should follow Panther Lane towards Hwy 90.
  - Prior to entering the car drop-off area in the morning, make sure that your child is prepared to exit the car. This includes having shoes and socks on, papers signed and backpacks packed.
  - Our staff will not pull a resistant/reluctant child out of the car. Prepare your child ahead of time and practice exiting the car. If your child will not get out in the back of the building, you will need to pull around to the front, park and bring your child into the front office.
  - Please keep all bus lanes clear when lining up in the car rider line and avoid blocking any driveways.
