

Privacy Policy for Digital Hazrath

Effective Date: [15/09/2025]

At DigitalHazrath we value your privacy. This Privacy Policy outlines how we handle your data when you use our mobile application ("App"). By using the App, you agree to this policy

1. No Personal Data Collection

- We do not collect, store, or share any personal information.
- You are not required to provide your name, email, phone number, or any other personal details.

2. No Authentication Required

- You can use the app freely without any login or registration.
- There is no account creation, sign-in, or password process involved.

3. No Location Access

- Our app does not access your device's location, either in the foreground or background.

4. How the App Works

- The app allows users to type questions related to Islam
- These questions are sent securely to Gemini AI API
- The app then displays responses based on the AI's reply to the user's input.
- We do not store any questions or answers.
- The interaction is processed in real-time and discarded after the response is

5. No Data Sharing

- We do not sell, share, or transfer any user data.
If third-party services like Gemini API are used, they follow industry-standard privacy and security practices.

6. Children's Privacy

The app is safe for users of all ages

Since we do not collect any data, there is no risk of unauthorized data collection from children under 13.

7. Changes to This Privacy Policy

- We may update this Privacy Policy from time to time. Any updates will be posted here and take effect immediately.

8. Contact Us
