Dear [Name],

We are excited to be participating in a new initiative, Together IN 7!

What is Together IN 7? From **Sept 17th - Sept 24th** Donaide and the Donaide Foundation are kicking off a 7 day community service initiative to support nonprofits and residents in Hamilton County. Whether you can donate funds, one hour of your time, four hours or multiple days, anything helps!

You can see what opportunities [organization name] had available here: [link to your Donaide profile].

THEN, come hang out with us on **Saturday, September 25th** for the FREE Community Luau Celebration in downtown Fishers from 2-9pm.

As always, we appreciate your continued support.
