OWLS – November 12, 2026

OWLS Celebrate Thanksgiving

A good crowd of 18 Owls celebrated Thanksgiving with a great Turkey meal provided by various members. Two great desserts followed the dinner. Being the day after Veterans Day a special Vets prayer was followed by a Thanksgiving prayer. Sharyn provided table decorations and tables were decorated with tablecloths.

After recognition of November birthdays of Carol, Joann and Roger and a couple jokes it was mentioned that we provide donations to various missions in December for Christmas. Due to wi-fi problems a couple of videos were not able to be shown.

It was reported that the Christian concert in Rockford on November 6 with Michael Booth, son of one of the Booth Brothers was excellent. It was noted that the Tribute Quartet will be there on Dec. 4 starting at 7 pm. Contact Dave Markee or Roger Neitzel for more information. It was noted that The Church Basement Ladies "Rise Up, O Men" will be at the Fireside next spring.

Flyers for the Christian Concerts at the Fireside in Fort Atkinson were available. Roger will be checking on tickets for the Booth Brothers concert on June 16, next year. Also, at the Fireside on March 17 will be Gold City for those interested.

The December OWLS meetings will be the Second Thurs. of the month, December 10, due to Christmas eve on the 4th Thursday. Lynn Gamble, Senior Advisor, will be available for any questions on Senior Medicare, etc.
