90% OFF VOUCHER for any live 3-Day MSE | MythoSelf (re-)EVOLVED Program in 2019 or 2020 ... Regular Investment: \$2250, YOUR INVESTMENT: \$225.00!!!

My 3-day MSE | MythoSelf (re-)EVOLVED program is the core of my teaching schedule, and I've been revisiting, redesigning and re-evolving it!

MSE | MythoSelf (re-)EVOLVED makes a singular promise:

"At the end of the three days you spend in the room with me at the MSE | MythoSelf (re-)EVOLVED program you will know what you are like when you are at your best, what it's like to feel unlimited and able to do anything, and exactly what you can do to access this way of being anytime, anywhere ... so you can bypass whatever has limited you in the past from doing what it take to have it all ... a magical life most folks only dream about, but few ever get to actually live."

Now I know that's a big audacious promise, but that's what you can expect ... in fact I'm prepared to guarantee it.

Now if you know me, you already know I don't do money-back guarantees, but I'm making an exception in this case, because I want to take away all your excuses not to be there, in fact I'm even going to sweeten the pie a bit for you:

MY PERSONAL MONEY-BACK GUARANTEE:

"If for any reason you don't walk away ... knowing what you are like when you are at your best, what it's like to feel unlimited and able to do anything, and exactly what you can do to access this way of being anytime, anywhere ... then I'll refund your payment for the program in full, plus \$100 for your trouble."

Okay, so why not just a 100% voucher???

Simple, I want you to have some skin in the game, even if it's only a couple of hundred bucks or so. If you're really committed to getting it this will be a no-brainer decision for you, but if you're on the fence even \$20 would seem like too much. I get that, and I get what it's like to desperately commit to getting what you want ... so I know how "all-in" I am ... I want to see how "all-in" you're prepared to be too.

Be assured this is a crazy opportunity to spend some time with me personally and a small group of folks to experience a breakthrough that folks continue to tell me about and write me about twenty years after they've attended a MythoSelf program with me.

*There will be people who will pay the full \$2250 this year to be in this program, but when you purchase my **GETTING UNSTUCK & BREAKING THROUGH** program now, I'll give you the 90% discount voucher, with a full Money-Back guarantee ... this is worth more than \$2000 so what are you possibly waiting for now???*
