

# YAY LEARNER

Terms and Conditions- Updated Aug 2025

1. The program runs during the school year and is billed on a month to month basis.
2. Yay Learner offers customized programs for the students based on their skill level. We work with individual students to maximize their individual potential.
3. New students can enroll during the sessions and the curriculum will be adjusted for them to be on par with the class.
4. Classes are not divided by age or grade. Mixed ages are in one class for personality development. Our vision is that younger children learn and adapt from the older kids and are inspired by them. In turn, the older kids learn to be more spontaneous from younger kids and also learn leadership skills as they help and guide the younger kids.
5. The center will follow the LCPS holiday schedule and inclement weather closings.
