

## Lecture/Lab Protocols for DH 70 Fall 2020

Always subject to change

Lecture/Lab will be held in room 4024 in the Race Building

- Enter the east side door (this door will be opened by instructor prior to class, appropriate COVID screening materials will be available)
- All students should be prepared and ready to start class at the scheduled time.

Before entering:

- You MUST wear a mask and glasses (safety glasses or your own)
- Hand sanitize your hands prior to touching thermometer
- Self Assess: Take temperature

(Your COVID screening answers and temperature should fall within the CDC guidelines before entering the classroom)

PLEASE, IF YOU DO NOT FEEL WELL, STAY HOME

Entering the classroom:

- Find your seat and leave your belongings then WASH and DRY your hands in the lab
- Lab monitors will be responsible for assisting with the COVID screening as well as lab preparation duties (please refer to the responsibilities of a lab monitor)
- Proper Lab attire must be worn during this course (scrubs and closed toe shoes) due to the lab section. (please refer to the Dental Hygiene Manual)
- When in Clinic for lab, additional PPE will be required (please refer to Dental Hygiene Manual)

During Lecture/Lab:

- Please practice Social Distancing when applicable
- Use hand sanitizer when necessary

End of Lecture/Lab:

- All Lab materials must be disinfected and put away
- Wipe all desk countertops with disinfectant
- Lab Monitors sign daily check sheet in binder in addition to your instructor

Assigned Lab Monitor (Will be responsible for the final check off and signature for the day)

Before clinic

- Be ready to assist with COVID screenings.
- Set out appropriate lab materials (see instructor)

During clinic

- Check in with instructor, will be determined at each lab session depending on activities

### End of clinic

- Disinfect all used lab materials and put back in cabinet
- Lock cabinet doors and put key back in binder
- All desk tops, chairs, door handles & light switches must be disinfected
- Disinfect COVID screening materials when done and give to your instructor
- All computer monitors must be covered, chairs in the proper position under counter top, and all other materials and supplies put away
- Lab counter and sinks are clean and dry
- Midmarks (sterilization process) in 4024 is completed according to days activities (see instructor)

## **HEALTH SCIENCE ADMINISTRATIVE GUIDELINES**

### **RACE BUILDING PROTOCOL:**

- ACCESS TO THE RESTROOMS AND LOCKER ROOM, SINGLE PERSONS (DON'T WALK WITH ANOTHER STUDENT, 6 FT APART)
- LIMIT YOURSELF TO 1ST FLOOR RESTROOMS AND LOCKER ROOM! AVOID FRONT DOOR BY ELEVATOR
- **NO EATING IN RACE BUILDING**
- FYI...VENDING MACHINES ON 2ND FLOOR ARE EMPTY, THE DEAN DOESN'T KNOW WHEN THE SERVICE WILL START UP AGAIN, AND IS ADVISING STUDENTS TO BRING THEIR OWN WATER

### **OUTSIDE RACE BUILDING PROTOCOL:**

- SINGLE PERSONS 6 FT APART (CAN'T WALK TOGETHER, CAN'T SIT WITHIN 6 FT OF EACH OTHER)
- IF RIDE SHARING, MASK MUST BE ON FOR ALL IN VEHICLE UPON ENTERING SRJC CAMPUS
- RECOMMEND EATING LUNCH IN YOUR CAR
- 2 PERSONS AT A TIME AT PICNIC TABLES (6FT APART)
- 10 PERSONS MAX ON 2ND FLOOR BALCONY (6FT APART)
