Vai alla pagina:

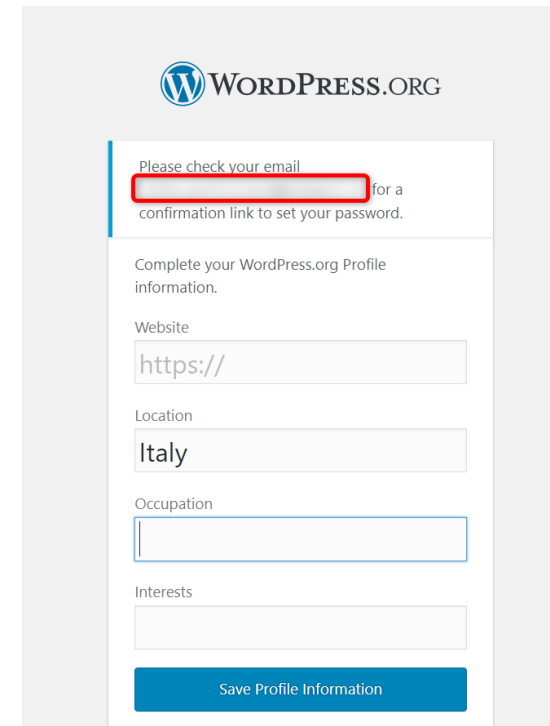

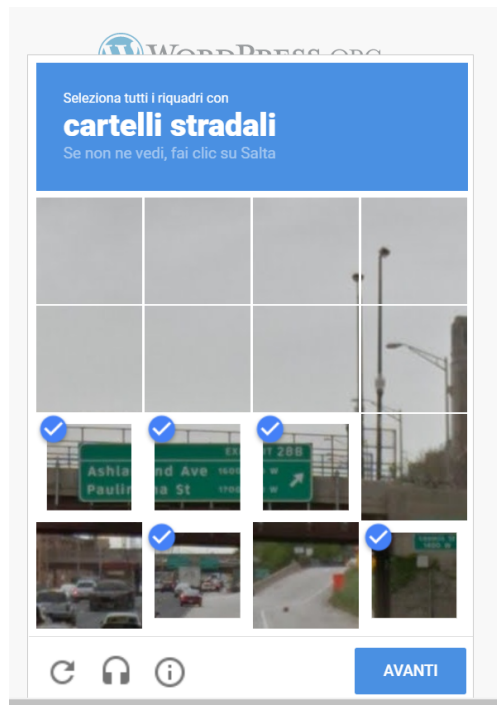

https://login.wordpress.org/register?locale=it_IT

- 1) Scegli un nome utente
- 2) Inserisci il tuo indirizzo email
- 3) Fai clic su "Create Account" (o "Crea un account")

A screenshot of the WordPress.org account creation form. The form is titled "WordPress.ORG" and includes instructions: "Create a WordPress.org account to start contributing to WordPress, get help in the support forums, or rate and review themes and plugins." It has fields for "Username" and "Email", both with placeholder text. Below the "Username" field, it says "Required. Only lower case letters (a-z) and numbers (0-9) are allowed." Below the "Email" field, it says "Required. Your password will be emailed here." There is a checkbox for "Subscribe to WordPress Announcements mailing list (a few messages a year)" which is checked. A blue "Create Account" button is at the bottom. At the very bottom, there is a link: "Already have an account? • WordPress.org".

4) Se ti viene chiesto completa la richiesta

5) Fai clic su "Save Profile Information" (o
"Salva le informazioni del profilo")

The screenshot shows the WordPress.org profile completion page. At the top, there's the WordPress.org logo. Below it, a blue box contains the text "Please check your email" and a red rectangular box containing a confirmation link, followed by the text "for a confirmation link to set your password." Below this, the text "Complete your WordPress.org Profile information." is displayed. There are four input fields: "Website" with the text "https://", "Location" with the text "Italy", "Occupation", and "Interests". At the bottom, there is a blue button labeled "Save Profile Information".

6) Controlla la cartella Posta in arrivo della tua casella email (eventualmente controlla anche la cartella SPAM)

NB: d'ora in poi al tuo account WordPress.org sarà associato anche un alias email così composto: nomeutente@chat.wordpress.org .

Questo alias ti permetterà di effettuare l'iscrizione agli spazi di lavoro Slack delle Community ufficiali di WordPress. (Vedi la prossima pagina.)

Quando da tali spazi di lavoro di Slack verrà inviata un'email a questo alias, i messaggi di posta arriveranno automaticamente al tuo indirizzo email reale, quello con cui hai effettuato la prima registrazione.

Inoltre d'ora in poi il tuo profilo sarà visibile alla pagina:

<https://profiles.wordpress.org/tuoNomeUtente/>

E se hai un account Gravatar associato all'indirizzo email reale con il quale hai effettuato la registrazione su wordpress.org, la tua foto profilo verrà caricata automaticamente.

- 1) Utilizza come nome utente l'alias ricevuto con la registrazione in wordpress.org
(nomeutente@chat.wordpress.org)

A screenshot of a web browser showing the Slack sign-up page for a workspace named "italia-wp-community.slack.com". The browser's address bar shows the URL "https://italia-wp-community.slack.com/signup". The Slack logo is in the top left, and navigation links like "Product", "Pricing", "Support", "Create a new workspace", "Find your workspace", and a "Sign in" button are in the top right. The main content area has a white box with the heading "Sign up for italia-wp-community.slack.com" and the instruction "Enter your email address to get started." Below this is an email input field with a red rectangle highlighting the placeholder text "@chat.wordpress.org". A green "Create Account" button is below the field. At the bottom of the white box, it says "Don't have an @chat.wordpress.org email address? Contact your Workspace Administrator for an invitation."

2) Verrà inviata un'email all'indirizzo email reale con il quale hai effettuato la registrazione in wordpress.org
