

"Wanna Be Startin' Somethin'" Demo

Date assessed by the facts that "Wanna Be Startin' Somethin" [was actually written] during his Off the Wall home studio sessions in 1978" and "In late 1978, while Quincy was lining up the musicians for the main studio sessions, Michael began writing songs and creating demos (early, incomplete versions of songs) in his home studio" (Mike Smallcombe "Making Michael") and the "Off the Wall" home sessions were done in December 1978 (Visual Documentary?)
