Recent Chapter Activities

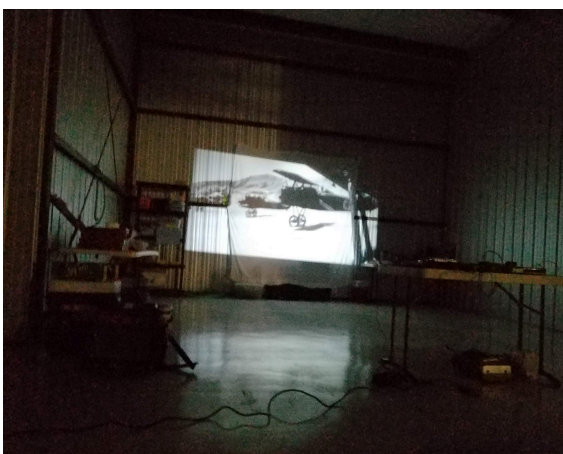

We had a great time the at San Antonio Air Traffic Control Tower tour on Saturday, February 16th! A huge thank you to Margaret Rendon for coordinating the tour, and to Michael Viffie for an informative & educational afternoon! We had 9 attendees, Reni & Dennis Baker and daughter-in-law Kristy, Jane Kellogg, Lacey Law, Cheryl & Ben Mora, Rachel Samples & guest, Denise Hamilton (she is in Private Pilot Ground School at Sky Safety) and will hopefully become a member one day soon!! 😊😄

Movie night at Boerne Stage Airport was later that evening! We enjoyed watching The Aviator...pilots, planes, popcorn and pizza!! 🕶️✈️🍿🍕 A bit chilly, so we just closed the the hangar door and had our blankies to keep us warm. 😊 Thanks again to Denise Pride for sharing her hanger for this joint event with the Alamo Chapter of Women in Aviation!

Photos Below....Lacee Law, Melinda (Mel) Vasquez, Dana Perez, Krystle Caballero setting up the projector & Stephen Pride waiting for the entertainment to begin. 😊 Chit chat & airplane talk before the movie begins.
