

Volunteer Social Media Role

Humanists Together

Humanists Together is growing, and we are looking for a volunteer to support our social media presence as we continue to build a visible, values led humanist community across Northern Ireland and beyond.

This role would suit someone who enjoys storytelling, community focused content, and thoughtful communication. You do not need to be an expert, but you do need to be reliable, organised, and comfortable working to a clear brief.

What the role involves

- Supporting content across Instagram, Facebook, and TikTok
- Scheduling posts and short form video content using provided guidance
- Helping highlight our celebrants, ceremonies, events, and values
- Maintaining a warm, inclusive, and respectful tone online
- Working collaboratively with Michael and the wider Humanists Together team

Time commitment

This role is flexible and realistic, requiring approximately 2 to 4 hours per week. The role is fully remote.

What we offer

- Clear guidance, structure, and support
- Experience contributing to an established and growing organisation
- A meaningful role connected to humanist ceremonies and community life
- A reference and acknowledgement of your contribution

This is a volunteer role, and we aim to make it a supportive and positive experience.
