

## **SAIL IN FLEET RACES/RALLIES, EARN SWAG**

### **How to earn points.**

When you sail on Saturdays or Sundays in a fleet race, rally, or as a mentor on a fleet boat, you earn a point for that day you participate. You can skipper, crew, or just be a passenger enjoying the ride (this gives juniors of all ages opportunities to earn points). Make sure to send your name through [REMIND](#) after you participate. You can also earn points when you sail in an AYC Regatta or any SAYRA Regatta.

### **What boats qualify?**

420s, Lasers, Thistles, Y Flyers, Snipes, and Flying Scotts.

### **Do I have to skipper?**

No, you earn the same point for being skipper, crew, or passenger.

### **Do you earn points for every race?**

No, you earn points per day. Even if you only sail one of the races, you still get a point for that day.

### **I want to sail but I need a skipper or crew.**

There is a white board at the point pavilion. Sign up in the morning and be watching to see who needs a crew or skipper.

### **Are 420s and Lasers sailing during fleet races?**

YES. Please let the race committee know that you plan on being out there in a 420 or Laser.

### **What about Optis?**

Optis qualify only when there is a regatta with Optis.

### **What's the Swag and how many points do I need to get?**

- 1 point - AYC Junior sticker
- 5 points - croakie
- 11 points - short sleeve T-shirt
- 22 points - Visor or Hat
- 32 points - Long sleeve tech shirt and water bottle
- 35 points - Sailing gear or bag

### **How are the points recorded?**

Use the Remind app to record that you sailed and what day you sailed. We will have a link to a spreadsheet on the AYC website that you can check your point total

### **When do I get the swag I earned?**

As soon as possible. Shirts, hats, visors may take longer but the rest we hope to be immediately or the following week. Be patient as we are working through the logistics on how we will hand out the prizes.

### **Is this a competition? I want the most points.**

No this is not a competition to see who gets the most points. We want everyone to get as many points as possible.

**PARTY TIME!!!**

If all the juniors get a total of 175 points as a group, we will hold a Last Mark party the following Saturday to celebrate. FREE ICE CREAM!!!
