## Wolds Weighton

### 1. Crime and ASB

Unfortunately due to technical changes we are unable to provide the monthly information at the moment. However you can obtain Crime and ASB data for your own area by visiting [www.police.uk](http://www.police.uk) , clicking on "whats happening in your area" and enter your postcode.

### 2. Crime issues of particular note

The following list shows some of the crimes that have occurred in the previous month in your area:

- An attempt was made to steal a diesel tank from a farm near Market Weighton, the suspects were disturbed and drove off leaving the tank behind.
- A window of a property in Londesborough was damaged in an attempted break in.
- Two secure sheds at properties in Goodmanham have been broken into and three bicycles and tools stolen.
- Entry was gained into secure outbuildings at a property in Bishop Wilton and two bicycles stolen.
- Entry was gained into a farm outbuilding near Melbourne and equipment stolen.
- A building near Yapham was broken into and tools stolen.
- A vehicle parked in Fangfoss has been damaged.
- A quad bike and various tools were stolen from an outbuilding of a property near Everingham.

### 3. Community Priorities

The Neighbourhood Policing Team meet regularly with partners to ensure we have a multi-agency approach to local issues, individuals and problem solving. These meetings are regularly attended by partners including Humbershire Fire and Rescue Service, Youth and Family Support, Housing Officers, Environmental Health and the East Riding Anti-Social Behaviour Team. We share information and resources to deal with local neighbourhood issues, in particular, those identified as causing the most harm in the community. We also continue to patrol Market Weighton and the surrounding rural areas during our shifts and post on Social Media on a regular basis as a way of keeping everyone updated.

### 4. Crime Prevention Advice

#### **Be prepared for winter.**

With winter on its way and the evenings starting to get darker, please consider the below and be prepared!

##### **1. Your home**

Don't let a burglar think that no one is at home. Always leave a light on in more than one room, eg a bedroom, kitchen or lounge and consider leaving a radio on too.

Use timer switches so that the lights come on as it starts to get dark especially if you are at work or going to be out all day. Change the times on the switches so that the lights come on at different times to create the illusion that someone is moving around inside the house.

Consider installing outside sensor lights that are activated by movement, especially at the back of your property or dusk to dawn lighting that comes on automatically as it gets dark.

Ensure all doors and windows are locked and that no keys are left in doors or window locks. Keep valuables out of sight and don't leave them where they can be seen through a window, (if you conceal valuables in your home, avoid obvious hiding places such as your sock drawer or in a fake food can in the kitchen – burglars are wise to this trick).

# Parish/Town News Release

Secure your garden with a fence and a lockable burglar.

To assist the police in recovering and returning stolen property, people should register valuables onto [www.Immobilise.com](http://www.Immobilise.com). Cycles, golf and fishing equipment and tools can be easily added onto the property register and then this assists the force in identifying property as stolen/lost, bring offenders to justice and stop the items being sold via second hand stores. The system can also allow owners to upload pictures of unique items.

## 2. Your Car

Make sure you check your lights before you set out in case a bulb has blown. (You might even consider carrying a spare light bulb or two)

Make sure your window washer is full of water and screen wash and that there is anti-freeze in your radiator.

Check the tyres. Have they got a decent amount of tread on them and are they at the correct pressure? If in doubt, get them checked.

Are your registration plates and car lights clean or do they need a wash?

Think about what you might need if you break down in the cold. Is there a blanket or a torch in the car? Consider having a mobile phone with you too.

Do not leave any valuables in your car eg a satnav or dash cam (remember to remove the cradle and any lasting sucker marks on the windscreen)

Never leave your keys in the ignition: a prime example is when paying for petrol or warming your car on an icy morning.

When leaving your vehicle parked, consider that although it might be still be daylight, think about night time lighting and how remote the location may become. Busy, overlooked or CCTV-monitored parking areas are far safer than deserted side streets

## 5. News and appeals

### • **Op Galileo.**

On the 10<sup>th</sup> October high visibility patrols were conducted by the Rural Task Force and Community Team Officers across the East Riding of Yorkshire.

Also following reports on the 16<sup>th</sup> October of illegal hare coursing in the Wetwang area, 3 males have been reported for poaching offences and a vehicle and several dogs seized. We will not tolerate wildlife crime and will always take positive action against those involved.
