

This is meant to be a working document - team managers, coaches and scorekeepers are encouraged to leave comments on this document as they learn any new tips, tricks, workarounds or annoyances about the Ramp Gamesheets app.

Before You Start Games

If league games (from Western for Regional Teams or GLRL for A/AA Teams) have not been assigned to your team, you will not be able to get a 'Team Code' from RAMP website. As soon as you get your schedule and your team has been linked to the league (done by GRA Ice Scheduler), you can get the 'Team Code' for your team.

- Head Coach or Team Manager needs to talk with the GRA Ice Scheduler or Registrar to get their League tie-in login and password (GLRL or Western Region). This is where teams can add in exhibition games, add players, assign numbers to players, add bench staff, etc.
- When you have that Team login - go to <https://admin.rampcms.com/login> and use it.

On the main screen/dashboard, it will display your 'Team Code' - two sets of four numbers separated by a hyphen

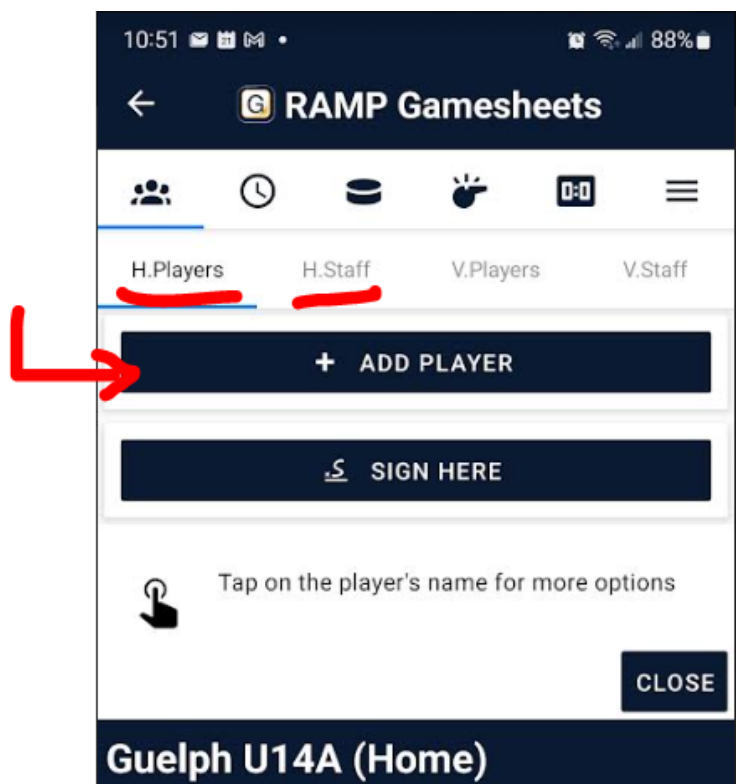

- All bench staff should download the Ramp Gamesheets App to their phone, and login using their own Ramp TEAM app login. At the bottom of the App, there is a 'TEAM' tab. Select this, and then click on 'Add Team Code'

- Going back to the 'Games' tab, all league tied-in games should appear. Select on the first game you are at. From this, select the 'H.Players' tab if you are the Home Team, or 'V.Players' if you are the Visiting team for that game. Before you attend your first game - you must go in and add all of your players and all of your staff. This needs to be done once, and it will auto-populate for any future games.

- On a regular basis, make sure that you connect to the internet and update your team schedule/games by opening the Gamesheets app on the GRA provided tablet. This is important if you are in an arena where there is no wifi.
- **DO NOT GIVE YOUR TEAM CODE TO TEAM PARENTS** - they need to go to the league website for their scores/live updates (if game is 'live'). Parents can go to: <http://ringetteontariogames.msa4.rampinteractive.com/> and pick from the list under the 'Ringette Ontario Games' banner:
 - A/AA Teams - Great Lakes Ringette League - pick their division, and then your team (e.g.. U14a and then Guelph U14A)
 - B/C Teams - Western Region Ringette Association - pick WRRL B/C, pick your division and then your team (e.g. WRRL B/C, Fun 3 and then Fun-3-Guelph-Charity)
 - Tournaments - Any Ontario sanctioned tournament - pick the tournament, then your division, then your team (e.g. London Memorial Tournament, U14A, then Guelph U14A)

Once you have picked your team from the league/tournament, parents can click on 'Games' and view the scores of each game, and live scores if it is being scored live on the Gamesheets app

- In the team portal you get to after logging in with your **League** Tie-in Name/Password at <https://admin.rampcms.com/> you need to get all of your 'Gamesheet' codes for your scorekeeper to use. This is under 'League Gamesheets App Codes' on the left menu:

Make sure that you also take note of all of the game codes - 'Gamesheets' 'Officials' 'Home' 'Visitor' - so that you are ready in case anyone in any of those groups is missing their game code. This can be exported as a spreadsheet so you have this information at the ready (save to phone/cloud/print).

- This should be all you need to do before games start.

GAME DAY

Head Coaches/Managers

- 1) Select the game in your Gamesheets App on your phone.
- 2) Toggle players on who are there (off by default - RED means not playing), and toggle staff who are present.
- 3) Add any 'Call up' Players - make sure to set up the players as 'AP' for call-ups.
- 4) Each bench staff needs to sign the Gamesheets app (**under their own RAMP Team App login**) by clicking on the 'Sign Here' button

Parents/Guardians/Family

For Parents/Guardians/Family Not at game

DO NOT GIVE YOUR TEAM CODE TO TEAM PARENTS/FAMILIES

Families need to go to the league website for their scores/live updates (if the game is 'live'). <http://ringetteontariogames.msa4.rampinteractive.com/> is the website to go to and families then pick from the list under the 'Ringette Ontario Games' banner:

- **A/AA Teams - Great Lakes Ringette League** - pick their division, and then your team (e.g.. U14a and then Guelph U14A)
- **B/C Teams - Western Region Ringette Association** - pick WRRL B/C, pick your division and then your team (e.g. WRRL B/C, Fun 3 and then Fun-3-Guelph-Charity)
- **Tournaments** - Any Ringette Ontario sanctioned tournament - pick the tournament, then your division, then your team (e.g. London Memorial Tournament, U14A, then Guelph U14A)

Once you have picked your team from the league/tournament, parents can click on 'Games' and view the scores of each game, and live scores if it is being scored live on the Gamesheets app

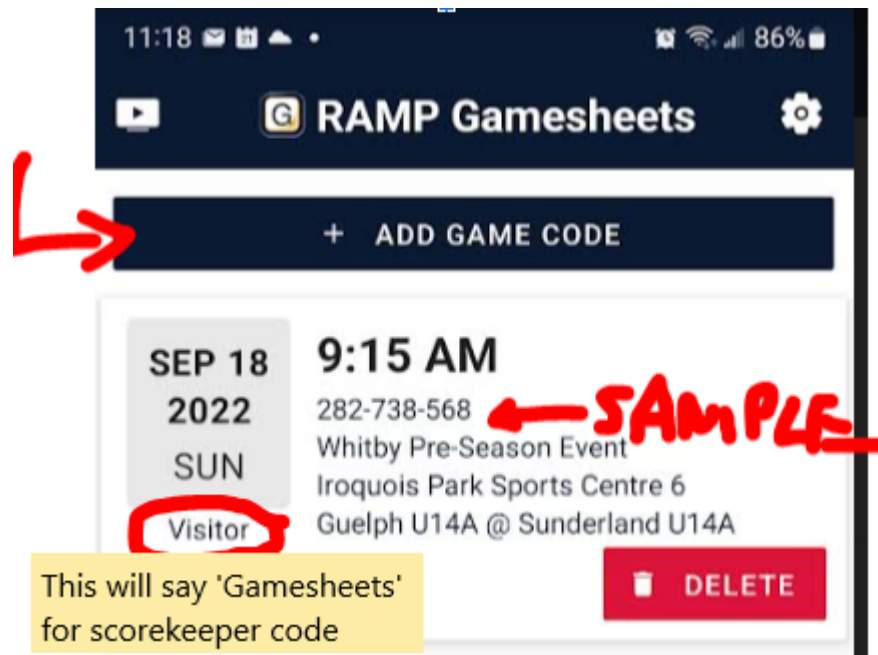

Scorekeepers

- <https://www.youtube.com/watch?v=mH9IWInPAFM>

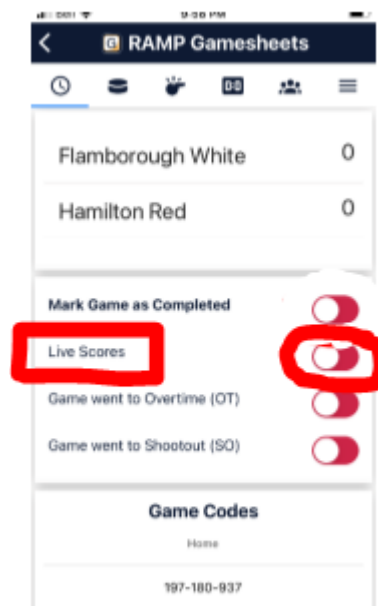

- 1) Open up the GameSheets App on the GRA provided tablet, and login with your Ramp Team App Login.

- 2) If the Arena has WIFI - make sure to be connected, it works a lot better, if not try to hotspot it to your phone to make sure the connection stays live. It is a very low data usage app, so you shouldn't eat up a lot of data.
- 3) Select 'Add Game Code' and ask the manager for the **GAMESHEETS** game code, this is NOT the same as the code the coaches have in their list.

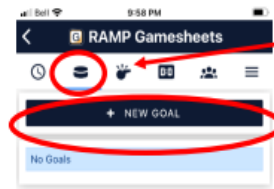

- 4) You may want to have a pad/paper to help keep track of things when you are in the booth. Entering goals and penalties are by drop-down menu in the app, but it may help to keep track on a pad of paper until you are more capable.
- 5) Toggle 'Live Scores' to ON (green) if you want the league/tournament websites to update live for those at home. This uses data, and must be connected to WIFI or mobile data via hotspot.

6) Goals:

To enter goals: Step 1. Select the "puck" icon. Step 2 click on + NEW GOAL.

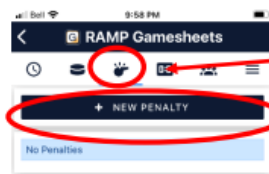

Step 1: Select the "puck" icon.

Step 2: Click on + NEW GOAL. This will open a separate page where you can select the Period, Minute, Seconds. Select the appropriate team and the type of goal – Even Strength, Power Play, Short Handed, Penalty Shot, Empty Net. Select the appropriate player(s) for goals and assists.

7) Penalties:

To Enter penalties: Step 1. Select the "whistle" icon. Step 2 click on + NEW PENALTY.

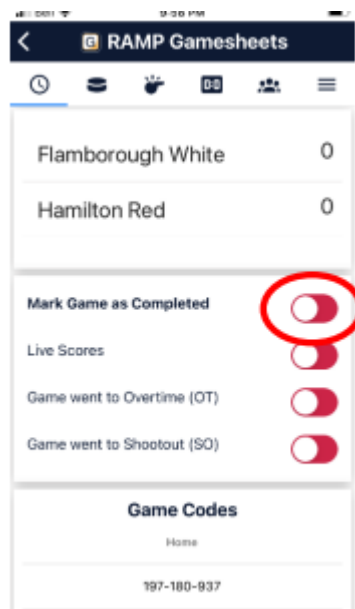

Step 1: Select the "whistle" icon.

Step 2: Click on + NEW PENALTY. This will open a separate page where you can 1. select the Period, Minute, Seconds. 2. Select the appropriate offence. 3. Select the appropriate Team. 4. Select the appropriate player(s).

8) End of Game - Officials need to review and sign off on their own Gamesheets app.

9) Once everything is finalized - you can then mark the game as complete:

10) Team managers then need to connect to Wifi within 24 hours of the game for it to sync with RAMP.

Exhibition Games

To add in exhibition games to score with the Gamesheets app, you must login to <https://admin.rampcms.com/> using the Team League admin account issued by GLRL or Western Region to do the 'league tie in'. Ask GRA Scheduler or Registrar for this.

Select 'Portal Games' and then in there you are able to 'Add Portal Games'

Switch to 'Exhibition Game' and enter in all of the information
