

Show-and-tell sign up, fourth period

You don't need to sign up far in advance, unless you want to. But if you have something to share on a Wednesday, or something to get off your chest, grab a spot. If someone has already signed up for a date you'd like to share, feel free to ask them to share their time, in which case each person could take up to three minutes. (But people who have already signed up should also feel free to take the full five minutes, if they want.)
