
Resource-Sharing for UDL Session: Employing Multiple Means of Representation

From TLT Group's FridayLive! March 4, 2016 MORE...

Add Your Ideas RIGHT NOW in this public Google Doc table below!

SELECT ANY ROW THAT DOES NOT HAVE SOMEONE ELSE'S ENTRY OR AN ACTIVE BLINKING CURSOR!

Please include brief descriptions of purposes or characteristics of learners or teachers for which this resource would be well-suited or badly-suited. The latter can help avoid raising unrealistic expectations!

What: Example (Tool or Other Online Resource Well-Suited to Multiple Means of Representation)	Strengths	Limitations	Who: Sharer (optional - add contact info if willing to expand info later)
Vocaroo	No account needed. Allows for e-mailing, embedding, or downloading	Must not leave page before you e-mail or download or you lose your recording	
Screencast O Matic (SOM)	easy way to add audio to slides or to any screen	free version has a limit to the length. Paid version is worth	**Beth Dailey bd@mybmcs.org**

		it	
Google Drive/ Apps for Education	PDF to Word- OCR is wonderful How To: http://www.thewindowsclub.com/google-drive-convert-image-to-text		***Theresa Swann*** ***tswann2@utk.edu***
https://www.mindmeister.com/	*web-based or app for concept mapping, now integrates with Office365*	Not sure it is completely free anymore	
VoiceThread	Way to Engaging students support diverse ways of learning - voice dialog online	**Cost for licence**	**https://voicethread.com/**
YouTube closed captioning	**Takes almost no effort to produce 1st draft**	**Not too accurate sometimes**	**Steve Gilbert** **stevegilbert@tltgroup.org**
bubbl.us	**free and don't even need to log in**		
Sway - https://sway.com/	**Free - Create and share reports, presentations, etc. Easy for Faculty or students to use**		**Greg Deye**
google voice typing *found on drop down from tools on google docs*	**free**		**Jo Ann Estevez** **jice39@verizon.net**
OneNote learning tools	**https://www.onenote.com/learningtools**		
toondoo www.toondoo.com	**free-create comic strips**		**Jo Ann Estevez** **jice39@verizon.net**
https://dictation.io/ Online free resource that creates text from voice	**"... can play your audio using the media player while at the same time run https://dictation.io/**	**need to use Google Chrome browser for this online too**	

	to allow the web-based speech to text tool to transcribe for you.		
Inspiration & Kidspiration software	**interactive graphic organizers for computers & ipads**	**purchase**	**Jo Ann Estevez jice39@verizon.net**
			test
