

Determine your Degree level and Tuition Cost

LongBeachChristianCollege.org

Steps	Details
Registration & Course Payment Registration Form	• New and Returning students can register for a course online until closed. • New Students may apply for the New Student Scholarship rate by enrolling online. • No payment is due at the time of registration and the Tuition invoices will be emailed to students by the second week of class with payment instructions.
New Students Degree Level College Orientation Sign-up Enrollment Form	• For their first semester at LBCCMTI, New Students that have not yet confirmed their academic level with the Dean will default to an Associate level status and unit rate until determined.
Determine your Degree Level Sign up for Academic Advising	• Students must meet with the Academic Dean to confirm their degree level, education goal, and estimated graduation date.
Submit Records of your Experience How to submit your information	• Your previous experience MAY be considered as either Transferrable or Life Credit units and then added to your Long Beach Christian College transcript, which MAY advance you to the degree level you are pursuing. • Educational, Professional, and Ministerial experience will require valid documentation, such as transcripts, resumes, certificates, and reference letters.
