September 08, 2022; GECA:

A great initiative of organizing a blood donation camp was taken by the **Light Samvedna Club in collaboration with Matoshree Boy's Hostel of GECA**, on 6th September 2022, Wednesday in the IT Seminar Hall of the college.

The blood donation program was held from 10am in the morning. The event started with ribbon-cutting ceremony by our chief guest, **Principal of GECA, DR. A. S. BHALCHANDRA Ma'am**.

A group of doctors and nurses from **Dattaji Blood Bank of Dr. Hedgewar Rugnalaya, Aurangabad** were present in the hall for conducting the camp.

The donors were asked to fill out a medical form to give details about their health-related information before the donation, checking weight, pressure, body temperature, haemoglobin level, etc were measured. Refreshments as energy boosters were also arranged for the donors before and after blood donation to re-energise them.

One of the doctors also addressed the audience saying that blood donation does not weaken the donators. The recovery takes place very soon. He also talked about facts, myths and blood group related information.

The Professors of the respective departments, students and also other common people participated in this great campaign organised by the club.

A **Certificate Of Appreciation** was given to each donor as a token of gratitude for their contribution in this voluntary blood donation movement.

The students were also asked to share their views about blood donation. One of the beautiful lines mentioned by a donor is as follows:

“You don’t have to have a medical degree to save a life, just a fair degree of **HUMANITY**. Give Blood, Save Life”.

Based upon the motto, “Donating blood is an act of generosity and can save lives” the Light Samvedna Club also arranged ‘A Handwritten Poster Making and Slogan Writing Competition’ on 5th September (a day before the blood donation camp).
