

PRIVACY POLICY

Onemyle takes the privacy of its users seriously and exercises best efforts to protect their private data/information. Onemyle endeavors to provide a secure and reliable environment for using its Platform and Services. Any private information collected by Onemyle from You will be used only in accordance with this Privacy Policy and the terms and conditions provided hereunder.

GENERAL

Please read this Privacy Policy very carefully (along with the [Terms of Service linked here](#) called the “Terms”). This contains important information about the privacy of Your information and data with respect to the use of Onemyle Platforms and services connected with it. This Privacy Policy sets out the manner in which Wyvaa Software Labs Private Limited, (“Onemyle”, or “We”, or “Us” or “Onemyle”), collects, uses, maintains and discloses information collected from the users of mobile or desktop application and/or services connected with it (“You”, or “Your”, or “User”). This Privacy Policy applies to Onemyle’s mobile or desktop application software technology (“Platform” or “Services” or “Onemyle”), and services offered by Onemyle in connection with the Platform. By using or by registering Your profile with the Platform and/or by using Services offered in connection with the Platform, You are consenting to the use, collection, transfer, storage, disclosure and other uses of Your information in the manner set out in this Privacy policy. For the purpose of this policy, any reference to Onemyle shall include its business associate(s), affiliates, subsidiaries and sister concerns.

We are committed to protecting your privacy. This Policy explains our practices concerning the personal data we collect from you, or that you provide to us.

This Privacy Policy does not apply to the practices of third parties that Onemyle does not own, control, or manage including but not limited to any third-party websites, services, applications, or businesses (“Third-Party Services”). Onemyle does not take responsibility for the content or privacy policies of those Third-Party Services. Onemyle encourages You to carefully review the privacy policies of all Third-Party Services You access through the Platform.

This privacy policy is subject to the Platform’s [Terms of Service](#).

If You do not agree with any of the provisions of this Privacy Policy, You may not download, install and/or use the Platform and/or Services. Onemyle may revise, alter,

add, amend or modify this Privacy Policy at any time by updating this page. By updating, downloading, installing and/or continuing to access/use this Platform, You agree to be bound by any such alteration, amendment, addition or modification.

INFORMATION COLLECTED BY ONEMYLE

Personally Identifiable Information

Personally identifiable Information collected may include Your name, image, mailing address, email address, phone number and demographic information such as gender, nationality, postcode and other personal information including but not limited to date, time or place of birth, location, interests, preferences, likes and dislikes, and usage information. Onemyle collects Personally Identifiable Information only if You voluntarily submit such information to us or provide access to such information by connecting to social networking sites through the Platform or Services (for example when You use the Services connected with the Platform or engage in certain Platform related activities including but not limited to becoming a member or signing up for an account or linking an account through a social network including, but not limited to Facebook, Twitter, Google Plus, and/or LinkedIn). Onemyle may also collect personally identifiable information You may provide when corresponding with us by email or phone, or to access/use any other interactive/non-interactive features of the Platform and/or Services.

You can always refuse to supply personally identifiable information, though it may prevent You from using the Platform, and/or certain features of the Platform and Services.

Non-Personal Information

The information we collect includes unique identifiers, browser type and settings, device type and settings, operating system, mobile network information including carrier name and phone number, and application version number. We also collect information about the interaction of your apps, browsers, and devices with our Services, including IP address, crash reports, system activity, and the date, time, and referrer URL of your request.

Our App may contain links to third party websites or applications. The inclusion or exclusion of the link does not imply any endorsement by Onemyle of the website, the website's provider, or the information on the website. You agree and understand that privacy policies of these websites are not under Our control. Onemyle does not make

any representations concerning the privacy practices or policies of such third parties or terms of use of such websites, nor does Onemyle guarantee the accuracy, integrity, or quality of the information, data, text, software, sound, photographs, graphics, videos, messages or other materials available on such websites. You understand that once You leave Our servers, use of any information You provide shall be governed by the privacy policy of the operator of the site used by you. Hence, Onemyle encourages the User to read the privacy policies of each such website and the User understands that it is solely such a third party who is responsible to the User in this regard.

USAGE OF PERSONAL INFORMATION

Onemyle may use the information for the following purposes (collectively called “Permitted Use”):

We use information to provide you with services and administer our websites and apps. For example We might also use your information to send push notifications on our Platform and to notify you about content you might be interested in or activity updates. We use information to analyze and improve our products and Services. For example, we may use your information to make our websites, apps, services, and products better. We might use your information to better understand how you use our Service, customize Your experience with us (including the content, marketing materials, and advertisements you see) and to conduct research and analysis.

We use information to comply with our obligations, to administer our websites and Services, and for internal operations. For example, we use personal information to administer the websites, such as troubleshooting, data analysis, and testing. We use information for marketing purposes. For example, we might use personal information to provide you with information about our services. We might tell you about new features or services. You may opt-in to receive our email newsletters. To learn about your choices for these communications, read the Your Choices section below.

We use information for security, safety, and due diligence purposes. For example, we may use personal information to protect our company, customers, and business partners and their respective personnel. We may also use personal information to protect our websites or our Services, prevent abuse, as well as to detect and investigate activities that may be illegal or prohibited (such as cyberattacks).

We use information to respond to your requests or questions. We use information to contact you in response to your feedback or other matters related to our relationship with you (such as about this Privacy Policy or our Terms of Use).

We use information as otherwise required or permitted by law, or as we may notify you at the time of collection.

We may use personal information to create identified or aggregated data which does not identify you or any other individual, or from which your identity cannot reasonably be ascertained. We may use and disclose de-identified, anonymous or aggregated data as we choose.

Onemyle may use Your non-personal information like information regarding third-party apps, including without limitation, package name (which is same as the package id on play store), package version, installation and/or uninstallation event information for personalizing contents and Services based on Your interests. Onemyle may also use Your non-personal information for promoting content with respect to, or from other applications installed or used by You or for creating customized sharing options for You.

Onemyle may also use Your Information for market research purposes and may share Your Information with its affiliated businesses that it controls. Onemyle may also use Your information for targeted advertising, targeted content delivery, and other business purposes unless You specifically opt out of such uses. Onemyle may use Your personally identifiable and/or other information You submit while accessing/using the Platform and Services, providing feedback, making/submitted comments, providing inputs and/or interacting on the Platform and Services for improving User experience on the Platform and in connection with Services, to provide targeted content, advertising and Services, and for other business and/or non-commercial purposes.

SHARING OF PERSONAL INFORMATION

We do not disclose Your Personal Information to any third parties other than to Onemyle' affiliates, third party service providers or other trusted business or persons, who may be situated outside India, pursuant to a lawful contract and in compliance with our Privacy Policy and any other appropriate confidentiality and security measure.

No User information is rented or sold to any third party

In the event of a merger, reorganization, acquisition, joint venture, assignment, spin-off, transfer, asset sale, or sale or disposition of all or any portion of Our business, including in connection with any bankruptcy or similar proceedings, We may transfer any and all Personal Information to the relevant third party with the same rights of access and use. Please note that this may result in Your Personal Information being transferred outside India.

Except as otherwise provided in this Privacy Policy, We will keep Your Personal Information private and will not share it with third parties, unless We believe in good faith that disclosure of Your Personal Information or any other information We collect about You is necessary for Permitted Use or to:

- Comply with a court order or other legal process;
- Protect the rights, property or safety of Onemyle or another party;
- Enforce the Privacy Policy, including Terms; or
- Respond to claims that any posting or other content violates the rights of third parties.

By agreeing to the Privacy Policy, You hereby grant Us Your consent for sharing Your information, including Your Personal Information, with third parties, including third parties situated outside India, for the Permitted Uses, and in all instances henceforth to enforce this Privacy Policy.

SECURITY OF PRIVATE INFORMATION

The security of Your Personal Information is important to Us. We take appropriate security measures as required under applicable laws and which is commercially reasonable which includes all physical, managerial, operational and technical security measures to protect the Personal Information against unauthorized access, alteration, disclosure, loss, misuse, or destruction of Your personal data that We collect and store. These measures vary based on the type and sensitivity of the data.

Although We make best possible efforts to store Personal Information in a secure operating environment that is not open to the public, You should understand that there is no such thing as complete security, and We do not guarantee that there will be no unintended disclosures of Your Personal Information. If We become aware that Your Personal Information has been disclosed in a manner not in accordance with this Privacy Policy, We will use reasonable efforts to notify You of the nature and extent of such disclosure (to the extent We know that information) as soon as reasonably possible and as permitted by law. You should not share Your password with any third party, and if You believe Your password or account has been compromised, You should change it immediately and contact Us at admin@Onemyle.io.

A high standard of security is maintained by Us for Our users. However, the transmission of information via the internet or telephone networks is not completely secure. While We do Our best to protect Your information, particularly with respect to protection of Your personal data, Onemyle cannot ensure the security of Your data transmitted via the internet, telephone or any other networks.

UPDATES AND CHANGES TO PRIVACY POLICY

We reserve the right, at any time, to add to, change, update, or modify this Privacy Policy. If We do, then We will post these changes on this page and will inform you of such changes. Your continued use of the services following the posting of changes to this Privacy Policy will constitute Your consent and acceptance of Our changes. In all cases, use of information We collect is subject to the Privacy Policy in effect at the time such information is collected.
