List of Changes:

Map

! this updates requires a new map version to be installed!

Map changes

- Hardwood and Maize should no longer spawn as granary resources
- There is no longer a hard limit on coastal resources in your cap (3 luxes and 2 fish)
- Reverted the capital resource change (required for the Hardwood/Maize change)

Improvements

- Lumber mill
 - is now unlocked at Bronze Working

Policies

Honor

- Military Caste
 - Now requires Warrior Code again (instead of Military Tradition)

comment: This change was made previously to make the graphic look like it makes sense. However this nerfed honor too much and so it was reverted

Commerce

- Silk Road
 - No longer gives +3 Gold from **external** Trade Routes.
- Finisher
 - No longer gives +1 Gold from Trading Posts

Bug fixes and Tooltip Fixes

- Burma's UB now works with Obsidian
- Aztec Jaguar now goes obsolete at Metal Casting again (was falsely reported previously)

- Work Spirituals now correctly gives faith to all plantation luxuries
