

Labor Day Regatta 2018

Skippers meeting was held at 1pm, with the first race beginning shortly before 2pm. We had a nice breeze 5-8 from the north, with gusts that would shift to the west, significantly affecting the course. The first two races were port triangles, the second two races were windward leewards, which resulted in much tighter races in the fleet. The regatta winners, Joe Gasparik and Gary Orkney, had one bullet and three second place finishes, while the second place finishers, Sally Sharp, Nancy Dennis, and Mary Ann Crandall, actually scored three bullets but had one last place finish that set them back. The third place finishers, Beth Dingman, Aaron, Zea, and Wynn, sailed consistently, with one second, two thirds, and a fourth. Reg Jones and Eric Snogren were often in the thick of it, and had a solid 3rd place finish in the first race. Dave Beaufait and Andrew DiGiovanni as well as Steve Kovacs and Marcy Menitove hung in there and sailed well in the many varied conditions that Lake Mascoma dealt out during the day.

Special thanks: Betty Ann Heistad, who obtained the BBQ supplies and served as our grill master, Richard Balagur, who assisted in the Committee Boat, and Gary Orkney, who helped set the course and let us use his (and Sally's) Boston Whaler as the Committee Boat. And many thanks to all the participants who sailed in the regatta, as well as everyone who came to the BBQ potluck and brought such great food - it was quite a feast!
