

PRAYER MODEL

1. Interview the person.

(Brief, attentive, gentle, & loving)

- Ask name, condition, how long with condition, cause, doctor, trauma?

2. Determine what type of prayer is needed.

- Petition & Command
 - Petition – request/ask
 - Command – address condition in the name of Jesus

3. Pray for the person.

- Ask Holy Spirit to come.
- Tell them to just receive.
- Ask for forgiveness of another or self.
- Repentance from wrong conduct.

4. Check the condition for progress.

- Practical – condition changed? Feel anything?
- Ask more questions.
- Consider if wrong spirit present, inner healing needed...
- Pray again.

5. Encourage the person.

- Encourage a relationship with the Lord.
- Encourage via scripture & continued prayer by self or others.

6. Share the Gospel
