

My name is Kyle Sliwa and I am a senior at St Charles East High School. I started playing soccer when I was three years old and have never played another sport besides soccer. My dad encouraged me to play soccer from a young age just as he had, and his father before him. Since then, soccer has been a part of my daily routine through summer, fall, winter, and spring. It is an activity that lets me get energy out and have fun playing the beautiful game. No matter what time of year I enjoy any playtime I can get whether that's pickup games, or just messing around with friends.

As a senior, I am playing for a team coming off 3 consecutive conference titles, and a team that made it to the super-sectionals in the 3A division of Illinois, the highest division in the state. In previous years at Saint Charles East I have been awarded team captain 3 times for various teams. In the off-season, I play for Campton United Soccer Club. I joined Campton in Fall of 2013, and have been playing there for 11 years. At Campton we play in the YSSL and last spring we went undefeated in the division and were crowned division champs. I play goalkeeper for both Saint Charles and Campton.

In college I am looking to pursue a career in mechanical engineering. My current GPA is 5.44 on a 5 point scale. I am looking into colleges such as University of Illinois Urbana Champaign and Purdue University in order to continue my academic career in engineering. Below you will find coaches that can vouch for my academic and athletic abilities.

Coaches

St Charles East Varsity Coach: Vince DiNuzzo. vincenzo.dinuzzo@d303.org

Campton United Soccer Club : Angel Pedraza. angel@camptonunited.com

Sincerely,
Kyle Sliwa
