Meeting Notes:

Meeting Called to Order: 2:24 pm

We shared good things. Laura started school, Cami is going to a fundraiser tonight and Tami had some free time.

Tami shared that two of the students in this picture went to CV.

We watched the LCAP video.

Claudia shared that teacher support would be helpful. No one had any further ideas. We will be touring CV on 2/25/25. After watching, we will add more ideas for the LCAP and SPSA.

Tami would like to share the social emotional and academic info at the end of Feb.

We have a lot less of office referrals.

	<p>Tami explained the emergency/active shooter plan. The DO will take over the social media part in case of an ER. The safety committee meets after every drill. Then Tami sends out an email to the staff for input.</p> <p>The Safety Plan is on the Agenda for everyone to read and review.</p> <p>Claudia motioned to approve the Safety Plan and Cami gave the second motion.</p> <p>Feb meeting is the 25th. We can do a walk through and meet right after to go over data.</p> <p>Tracy motioned to end the meeting at 2:53 and Vanessa second the motion.</p>	
	<p>Future Agenda Items:</p> <p>2. Review these items plus data.</p>	Title 1
