Email Template by Julia | @chicklitistheshit

Hello,

My name is Insert Name and I'm the creator behind Insert Username on Instagram.

I have **x followers** with an engagement rate of **x%** according to phlanx's engagement calculator.

I would love to receive finished or advanced copies of the following books:
- **Insert Book Title** by Insert Author (Insert Publishing Date)
- **Insert Book Title** by Insert Author (Insert Publishing Date)

My Address:
ENTER ADDRESS

OPTIONAL:

- Include a page description. This could be particularly helpful for those of you who are newer to bookstagram. You can focus on this more than your numbers.
- Include your NetGalley or Kindle email if you'd accept a digital arc.
- State your content idea. Like, give a vague idea of what you'd do with the copy: post a review, make a specific reel/photo, etc.
