Dear Community, Parents and Students,

Tuscarora school district is very excited about the opportunity to offer @JBrocketathletics as part of social media platform. Our district is always looking for ways to communicate and display all of the great things that our students are doing. Please check us out at the the following places below:

- Facebook - @JBrocketathletics
- Twitter - @JBrocketathlete
- Instagram - @JBrocketathletics
- Hashtag - #RocketsRock

Social media can be a powerful tool that we will use to get out lots of positive information on a regular basis. This is a great chance to provide valuable connections between you as parents, the school, and our community. Please work to keep all of our interactions via social media positive, however. Know that we are always working to do what is in the best interest of our students, but that we are also not perfect. If you have a concern that you would like to voice, please reference [board policy 907](#) and know that our athletic department is always accessible via email or by phone using the information below:

- Larry Strawoet - larry.strawoet@tus.k12.pa.us - 717-328-3127 ext 2210

Again, the purpose of our social media sites is to highlight positive student performance and push out critical community information. In the event that you are unsatisfied with something that is happening at TSD, we would welcome the chance to hear from you using the information above, but please refrain from any negative comments or inquiries on our social media sites.

TSD is excited to provide high quality communication and a positive presence across all of our online media outlets. We look forward to partnering with all of you to achieve this and to highlight everything that is GREAT about our district and most importantly, our students.
#RocketsRock

With lots of ROCKET pride,

TSD Athletic department
