PASIPA NI OBLE: INTERCOLLEGIATE FUTSAL TOURNAMENT

A futsal tournament that brings together talented University Students both male and female teams from across Davao City and neighbouring towns to compete and showcase their skill, teamwork, and sportmanship. Inspired by the iconic UP Oblation statue, this event embodies the values of dedication and pride, uniting young athletes under the banner of friendly competition and community.

B. OBJECTIVES

The primary objective of the 2026 PASIPA NI OBLE: Intercollegiate Futsal Tournament is to promote a healthy and active lifestyle among college students across Davao City and in neighbouring towns and provinces. The tournament aims to use the dynamic sport of Futsal to encourage physical activity and demonstrate that fitness can be both enjoyable and beneficial. Through this initiative, the organizers hope to inspire participants to adopt lifelong wellness habits that support their overall physical and mental health.

Moreover, the tournament seeks to promote a strong competitive spirit grounded in integrity and sportsmanship. It provides a platform where schools can engage in passionate yet respectful competition, emphasizing the core values of fair play, respect for opponents, and graciousness regardless of the outcome. The student-organizers believe that the nature of Futsal is an excellent step for students to develop essential life skills such as discipline, strategic thinking, and resilience.

In the long run, the event aims to foster a stronger sense of community among the College students of Davao City and neighbouring cities and municipalities. By bringing together students from various schools, it strives to bridge diverse backgrounds, forge

new friendships, and celebrate the collective talent and energy of its senior high school participants. The tournament's vision extends beyond the court, focusing on building lasting connections and creating a positive, unifying experience for everyone involved.

C. RATIONALE

Futsal has been a globally recognized sport due to its role as a pathway for students to discover their skills and interest in this field. However, the opportunity for this sport to be recognized locally has been challenging due to its limited events. With that, this event seeks to promote and expand the reach of futsal among College teams across Davao City.

It also aims to provide an avenue for the athletes to cultivate and demonstrate sportsmanship, engage with fellow players in a spirit of camaraderie, and further develop their passion and skills in the sport. Moreover, this event will also enhance the athletic abilities of the participants, as well as to give foundation to values such as teamwork, responsibility, and discipline.
