THE PANHANDLE ARCHAEOLOGICAL SOCIETY AT TALLAHASSEE, INC.

The Panhandle Archaeological Society at Tallahassee (PAST) is a registered non-profit group (501(c)3) dedicated to promoting the importance and preservation of archaeological resources in the Florida panhandle region. PAST is a chapter of the Florida Anthropological Society (FAS).

Membership is open to all persons, including professional archaeologists, students, and those simply interested in learning more about local archaeology and cultural history and who endorse the PAST Code of Ethics as posted on our website, PAST-Tallahassee.org.

PAST GOALS

- 1) To help in the identification and protection of archaeological resources in the Florida panhandle;
- 2) To promote the region's rich cultural history and the need to preserve it;
- 3) To employ the society's code of ethics to guide members and the general public in the practice of archaeology.

FIELD ACTIVITIES

The Society's activities include survey of lands for archaeological sites, the excavation of sites, the processing and analysis of artifacts, and project reporting. All projects are supervised by trained archaeologists who are members of the Society and who will train non-professional members in the techniques and skills required to complete project tasks.

SPEAKERS AND DEMONSTRATIONS

The Society hosts guest speakers from around the region who present on a wide range of subjects pertaining to archaeology. Also, it sponsors workshops on archeological practice, such as ceramic type identification, and native and historic craft and skill, such as stone tool manufacture, atlatl throwing, and the use of the black powder rifle.

MEETINGS

PAST meetings are held on the second Tuesday of each month at 7:00 p.m. at the Goodwood Museum and Garden's Jubilee Cottage, 1600 Miccosukee Road, Tallahassee.

For additional information and contacts, please visit our web site at:

<http://www.past-tallahassee.org> or visit us on Facebook <https://www.facebook.com/fl.past>

Or send via conventional mail to our address indicated on this form.
