Proposed Title/Topic of Deep Dive

Please include a **1-2 page outline** of the proposed program

Please include outlines for each session, main themes, learning objectives, etc. TENx10 typically uses the learning format below:

What?

Introducing the session's goals and new insights.

So what?

Reflecting on the ramifications of those insights for youth discipleship.

Now what?

Connecting new insights with ministerial realities.

My what?

Developing concrete action steps to apply the insights to a specific context.

How will this program be offered?

(i.e. how many sessions, weeks, minutes per session, online, in-person, synchronous, asynchronous, etc)?

Describe the target audience for the deep dive & what relational support will be part of your deep dive.

(youth leaders, senior pastors, volunteers, etc.)

Please share a broad overview of your proposed budget for the project

We do not need itemized expenses, but an idea of how funds will be spent - writing, filming, copyediting, marketing, etc. Budgets should include both internal costs from the organization as well as projected costs for outside consulting and vendors.

Would you like to be considered for a grant from TENx10 to assist with resource creation?

Describe in 1-2 paragraphs how diversity and equity will be central to your project.
