Post-Conference Graduate Credit Workshop
NEOTech 2026

EHHS 50093 Section 022 CRN 18990

Earn one graduate workshop credit hour through Kent State University for $165

Steps to receive the graduate workshop credit:

1. Register for the course online by completing the registration form at
   https://bit.ly/NEOTechKSU2026
   Registration Deadline: March 11, 2026
   Upon submitting your online registration, you will receive a confirmation email with instructions for online payment.

2. Following the conference, complete a ***Reflect-Learn-Innovate*** Post-Conference Analysis:

   a. **Reflect:** Reflect upon the conference sessions you attended (*Note: You must attend and reflect upon a **minimum of 5 sessions** to complete this assignment*). For each session, discuss specific questions or new ideas that the session raised for you that will innovate your work as an educator. The length of this section should be one page or more.

   b. **Learn:** Identify a specific concept, model, framework, or strategy highlighted at the conference for further inquiry and research. Read/study additional resources related to your targeted inquiry. You may use resources highlighted in conference sessions or select resources found through your own research. Please provide a reference list of the sources found in your research. You may use any citation format (e.g, MLA, APA). The length of this section should be one page or more.

   c. **Innovate:** Connect the concept, model, framework, or strategy to your educational setting and role, and describe how you might apply it to innovate teaching and learning. The length of this section should be one page or more.

3. Projects will be evaluated using a rubric that outlines the assignment criteria.

4. Completed projects can be formatted as a Word or Google Doc and must be submitted by
   May 1, 2026 to ksuneotech@gmail.com

Questions can be directed to the course instructors:
Annette Kratcoski akratcos@kent.edu or Julee Henry jahenry2@kent.edu
