#9. Clan Boss Damage on UNM & NM ? Please attach a screenshot of dmg done on UNM **70m-75m**
Unm; 75m to 80m Nm

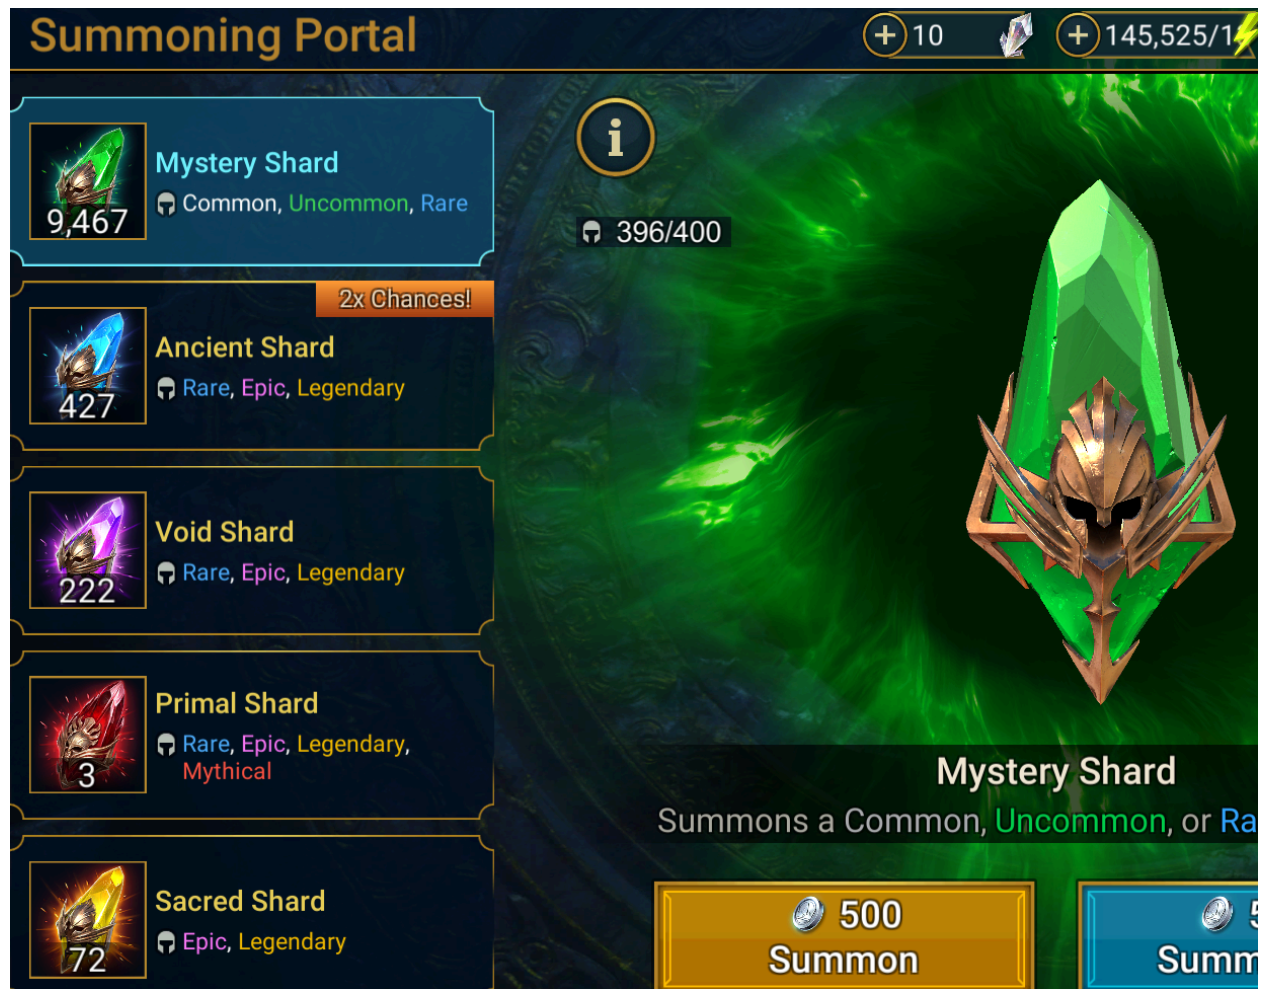

#10. Hydra Damage on Nightmare, Brutal, Hard or Normal ? Please attach a screenshot of your comps and dmg done **Nightmare – No comp yet; Brutal and Hard 25m to 40m depending on rotation; Normal 20m to 80m depending on RNG. I just let it auto as the requirement to 1 key is so low anyway.**

I can usually 1 key Brutal if I manual but I was too tired of the game that I just let it auto and don't bother to regroup even if I don't 1 key.

#11. Screenshots of your resources : Energy, Silver, Gems, Shards, Books, Chickens, Brews, Glyphs, Soul Stones, Blessings

#12. Lydia acquired ? Yes

#13. Ramantu acquired ? No

#14. Mithrala acquired ? Yes

#15. Doom Tower Finished ? What is your development for DT's champs fragments ? Yes, all rotations both normal and hard. At 24 fragments for Cromax
