NSFW Commission Information

Falls under *vanilla* pricing:

- The obvious basics - oral, vaginal, anal
- Spanking
- Biting
- Scratching
- Hair pulling
- Wing kink (within reason)
- Switching/various efforts
- Muffling
- Strap-ons
- Mild domination - this is hard to describe, I will judge case by case

NB: if any of this causes bleeding, this will put it under kink pricing!

Falls under *kink* pricing (general guidelines, not exhaustive):

- Any biting, whipping, spanking etc that draws blood
- BDSM
- True forms
- Edging/denial
- Pregnancy/oviposition smut
- Roleplaying

Other important smut commission info:

- You MUST be over 18 for me to write you a smut commission!
- Generally speaking, my smut scenes in fics and oneshots range from 2k (quite short for me) to up to 10k and over, generally falling somewhere between 4-5k, for reference as to how long you think your scene will be.
