

World Learner School

Policy: **561 SCHOOL EMERGENCY CLOSURE POLICY**

Effective: Inception

Revised: 10.3.16
 10.28.19

The World Learner School follows the lead of Eastern Carver County District 112 for emergency closings. In the event of weather situations or other emergency events that pose a safety concern for students, World Learner School will follow the lead of Eastern Carver County School District 112 regarding school operation.

However, there are times of emergency that may include weather or other situations, either locally or in the greater community, that pose a safety concern for students. In such situations, World Learner School Director will make a determination regarding the closure of the school in collaboration with transportation services, emergency personnel, and other knowledgeable individuals.
