

ORIGINALITY STATEMENT FORM

This is to certify that the outset and intend of this work entitled

.....

and the analysis of the data, as well as writing of this manuscript, is an original work and truly compiled by me. I have reviewed the final version of manuscript and approve it for publication in Journal of Marine Pharmacy and Biomedicine (JMPB). All author/s (if present) agree that above content of the manuscript will not be copyrighted, submitted, or published elsewhere (either in print or electronic media), and is also not imitative from any language elsewhere, while acceptance by JMPB is under consideration.

I confirm that the data presented in the manuscript is authentic and in any circumstances, I/we will responsible to face any dispute, pointed out by anyone in future.
