### **A couple of quick notes on Rules...**

- Players foul out on 6 fouls
- Every Free Throw will be 1-for-2 or 1-for-3 (if fouled on 3 pointer). Meaning, if Player A gets fouled on a layup attempt and MISSES, he will shoot ONE shot to get 2 points. If he misses his Free Throw attempt, it is a live ball.
- A team reaches the 1 and 1 bonus on the 7th foul of each half. THERE IS NO 2 SHOT BONUS. All bonus free throws will be 1-for-2. So, the same example above applies.
- Overtime is the first team to score 4 points in any combination. Fouls carry over from the end of regulations. Teams get one (1) :30 second timeout each.
- When reading, either the team on the right, or in the listing, the team on the TOP is the HOME team and will wear white/light colors. However, you should ALWAYS bring both sets of uniforms to the gym.
