

[FULL NAME]

University Student seeking Internship

[Street Address], [City, State, Zip Code] | [Phone Number] | [Email Address] | [LinkedIn Profile URL or Portfolio Link]

Motivated and detail-oriented university student pursuing a Bachelor's degree in Computer Science. Eager to apply strong theoretical knowledge and hands-on project experience in a professional setting. Excellent problem-solver with a passion for learning new technologies and contributing to team goals.

PROJECTS

Spring 2024

"Eco-Tracker" Mobile Application | Personal Project

- Developed a full-stack mobile application using React Native and Firebase to help users monitor their carbon footprint.
- Implemented user authentication, data visualization, and a daily challenge feature to encourage sustainable habits.

Fall 2023

Online Library Management System | Course Project

- Collaborated with a team of four to design and build a functional library management system using Python and SQL.
- Managed a database of over 1,000 book records and implemented search functionality and checkout processes.

EDUCATION

Expected Graduation: May 2025

Bachelor of Science in Computer Science | State University | City, ST

Relevant Coursework: Data Structures and Algorithms, Software Engineering, Database Systems, Web Development

GPA: 3.9/4.0

SKILLS

- **Programming Languages:** Python, Java, JavaScript, C++
- **Technologies & Frameworks:** React, React Native, Firebase, SQL, Git
