*****Each additional character goes with a 25% Discount*****

****Prices may change if the character has complex details (e.g.: intricate clothing, mechanical parts, etc.)****

****Every different body pose (even if it's of the same character) counts as a new character.****

****Minor body variations have a significant discount (they don't count as a new pose), but will depend on the extent or complexity of that body variation.****

- Backgrounds -

"Because characters deserve a place to live in"

(Add this to the final price)

No BG ---> \$0 (Monochromatic or Gradient)

Basic BG ---> \$50 (Very few objects in the scene)

Intermediate BG ---> \$150 (Many objects in the scene)

Advanced BG ---> \$250 (A lot of objects and details in the scene)

(The background cost may change depending on the complexity of the design and the style of rendering)

Any different point of view counts as a new background

- Canvas Size -

"Because size matters."

(Add this to the final price)

"S" – (1400x1980px) ----> No Extra cost

"M" – (A4) – (2480x3508px) ----> \$35

"L" – (2800x3960px) ----> \$50

"XXL" – (A3) – (3508x4961px) ----> \$75

"XXXL" – (A2) – (4961x7016px) ----> \$150

****Depending on the scale of the commission we can discuss about this rate for a reduction****

Feel free to ask anything about the idea you have in mind.

If your request is accepted I will send you the payment details.

I handle commissions in the order I receive them.

Thanks for your interest!!!

I hope we can work together soon!!!
