

Summer Work Music Resources

Grades 4 & 5	http:// www.musictheory.net This site will cover music fundamentals, learning how to read music, notes, Clefs, etc. Students who are taking the music elective for grades 4-5 need exposure to the basics or fundamentals of music. Students enrolled in this general music class will learn about: • Genres of Music (Latin, Jazz, Pop, Blues, etc.) • Eras or Musical Periods • Musicians of the Past & Present • Music Theory- Rhythm and Note Value This Music Powerpoint has everything covered in music electives this past year. Please Review. Elementary Music Powerpoint Classics for Kids (Music Website)
Middle School	http:// www.musictheory.net Students who are planning to be in Band, Choir and Guitar class must familiarize themselves with music basics. Musictheory.net covers an array of musical concepts that students will learn during their time as a student musician here at GVA. Students in band class will use the resource - Essential Elements in Music band method book. Guitar Students will use the Essential Elements in Guitar music method book. This Music Powerpoint has everything

	covered in music electives this past year. Please Review. Middle School Powerpoint
