Code No. 804.2

DISTRICT EMERGENCY OPERATIONS PLANS

The safety and security of the school community is paramount to the Hudson Community School District. While there is no absolute guarantee of safety, it is the goal of the district to encourage and support a physically secure learning and working environment within its buildings. The district shall work in conjunction with community stakeholders including local emergency management coordinators and local law enforcement agencies to create emergency operations plans for all district buildings and school buildings where students are educated.

The superintendent or their designee shall be responsible for the development, review and implementation of the district emergency operations plan. The plan shall include procedures for transmitting alerts regarding emergency situations to school personnel, students, and employers for non-school employees whose presence is regularly required in the school building. The plan will also identify methods that a parent or guardian of a student may use to communicate with the student during an emergency situation. The emergency operations plan shall be updated and reviewed annually by the Board and shall address responses to natural disasters, active shooter scenarios and other emergencies as determined by the district. The emergency operations plans are confidential and shall not be subject to disclosure under Iowa Code Chapter 22. However, the district shall publish procedures for students, school personnel, parents, and family members to report possible safety threats on school grounds and at school activities.

The administration shall hold annual emergency operations drills at each district building covered by an emergency operations plan in accordance with law. The district shall determine which school personnel shall participate and whether local law enforcement and students participate in annual drills.

NOTE: This is not a mandatory policy, but all school districts are required to have emergency operations plans in place for their districts no later than June 30, 2019.
