

Template for the Submission of a Good Practice in Care Research

Instructions: Complete all sections of this template. The information provided will be used to assess the scientific quality, innovation, impact and transferability of the good practice submitted.

1. General information

Title of the project or good practice:

Lead author:

Co-authors (if applicable):

Institution or organisation:

Contact email address:

Thematic area:

- ☐ Care for people in situations of dependency
- ☐ Family care
- ☐ Professional care
- ☐ Gender and care
- ☐ Dementia interventions

- ☐ Anthropology of care
- ☐ Sociology of care
- ☐ Innovation applied to care
- ☐ Community, territory and support networks
- ☐ Rights, ethics and the sustainability of life

2. Context and rationale

Describe the problem or need that prompted the project and the context in which it was carried out.

3. Objectives

General objective

Specific objectives

1.

2.

3.

4. Description of the good practice

Explain what the intervention or project involves.

Describe the activities carried out.

5. Target group

Who is the good practice intended for?

Approximate number of participants:

6. Methodology

Describe how the project was implemented.

7. Innovation

What aspects of this experience do you consider innovative?

8. Results

Describe the main results achieved or expected.

9. Impact

What changes or benefits has the good practice generated?

For people receiving care:

For families or carers:

For professional teams:

For the organisation:

10. Transferability

Could this experience be applied in other organisations or regions?

☐ Yes

☐ No

If yes, please explain why.

11. Lessons learned

Describe the main lessons learned during project implementation.

12. Ethical considerations

Was the project reviewed by an ethics committee?

☐ Yes

☐ No

If yes, please specify which one:

Was informed consent obtained when required?

☐ Yes

☐ No

Comments:

13. Conclusions

Summarise the main contributions of the good practice.

14. References

Include a minimum of **five references**, formatted in accordance with **APA Style (7th edition)**.
